### Garlicky ’n’ Pepper Prime Rib

**Ingredients:**
- 1 beef ribeye roast (4 pounds)
- Coarsely ground pepper
- 1 large onion, chopped
- 4 to 5 garlic cloves, minced
- 1-1/2 cups beef broth
- 1/3 cup ketchup

**Directions:**
1. Sprinkle roast with pepper; place rib side down in a small roasting pan.
2. Combine onion and garlic; spread over all sides of roast. Combine broth and ketchup; spoon 3/4 cup over roast. Set remaining broth mixture aside.
3. Bake, uncovered, at 325° for 2 hours or until meat reaches desired doneness (for medium-rare, a thermometer should read 135°; medium, 140°; medium-well, 145°).
4. Baste with pan drippings every 20 minutes, adding reserved broth mixture as needed. Let stand for 10 minutes before slicing. Stir any remaining broth mixture into pan drippings; heat through and serve with roast.
